Five Core Parameters to Reset Our Safe Management Measures (SMMs)

Parameter	Current Posture
(1) Group Sizes	No limit
(2) Mask-Wearing	Required indoors* Optional outdoors
(3) Workplace Requirements	All can return to office
(4) Safe Distancing	Not required
(5) Capacity Limits	No limit^

* In indoor workplace settings, employees may also remove their masks at their workstations: (i) when they are not interacting physically with others and (ii) when they are not in customer-facing areas.

^ Capacity limits will be lifted for all settings except nightlife establishments, where dancing among patrons is one of the intended activities, which will continue to have a 75% capacity limit.
